Rules:

Bowlers must be current members in good standing with USBC. To bowl in this event bowlers must also have or purchase a current NPJG membership. A standard membership is \$17.00 and a NPJG membership is \$30.00. You must have both memberships to bowl in qualifying event.

Bowlers will bowl 6 games scratch. This is a no handicap event. There will be 4 divisions. U15 girls, U15 boys, U20 Girls and U20 boys. Bowlers born before 8/1/1996 must bowl in the U20 division. If a U15 division does not meet the minimum requirement of entrants (5), they may choose to opt out of the division and bowl in the U20 division. To do so the entrant must fill out a NPJG opt out form. By opting up the entrant does not lose eligibility to bowl in the U15 division in future NPJG events. To meet a minimum bowlers all division may be combined.

Advancement ratio of 1:5 will be used for each division. If the event meets the ratio and if there are any additional entrants , the next qualified entrant will have the option to claim the next spot by paying any remaining shortfall in the prize fund. This option is only available to the next qualifier.

For more information on the new NPJG rules go to bowl.com, click on youth and then Junior Gold.
